Important Questions	Answers	Why this Matters:				
What is the overall deductible?	For participating providers: \$5,000 person / \$10,000 family for calendar year For non-participating providers: \$10,000 person / \$20,000 family for calendar year	Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .				
Are there services covered before you meet your deductible?	Yes. <u>Preventive care</u> , <u>prescription drugs</u> , and office visits are covered before you meet your <u>deductible</u> .	This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> without <u>cost-sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at <a href="https://www.healthcare.gov/coverage/preventive-care-benefits/">https://www.healthcare.gov/coverage/preventive-care-benefits/</a> .				
Are there other deductibles for specific services?	No.	You don't have to meet <u>deductibles</u> for specific services.				
What is the <u>out-of-pocket</u> <u>limit</u> for this <u>plan</u> ?	For participating providers: \$7,500 person / \$15,000 family For non-participating providers: \$15,000 person / \$30,000 family	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.				
What is not included in the out-of-pocket limit?	Premiums, balance-billed charges, health care this plan doesn't cover, Additional Benefits, and penalties for failure to obtain preauthorization for services	Even though you pay these expenses, they don't count toward the <u>out-of-pocket limit</u> .				
	Yes. See www.emihealth.com or call 1-800-662-5851 for a list of network providers.	This <u>plan</u> uses a <u>provider network</u> . You will pay less if you use a <u>provider</u> in the <u>plan</u> 's <u>network</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the <u>provider</u> 's charge and what your <u>plan</u> pays ( <u>balance billing</u> ). Be aware your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.				
Do you need a <u>referral</u> to see a <u>specialist</u> ?	No.	You can see the specialist you choose without a referral.				

All **copayment** and **coinsurance** costs shown in this chart are after your **deductible** has been met, if a **deductible** applies.
